## **Work History**

### **January 2010 - Present**

Waiter, Oliver Jamie's, London

As a waiter at this large celebrity restaurant my main duty was to greet patrons as they entered, and find their table. I would then seat them and offer to take a drinks order. I would occasionally have to recommend a wine on the basis of speculative menu choices. I would then bring the drinks and take the starter and main orders. I would then watch the table for further requests whilst repeating this process with other covers in the restaurant. I would then bring the food to the tables, checking that all was ok after several minutes.

### **January 2008- January 2010**

Waiter, Weather knives Pub, London.

As a waiter in a Weather knives Gastro pub it was my duty to take food from orders that had been placed at the bar, to the tables that had ordered the food. I would then check after several minutes that everything was ok, and then clear the plates after the diners had finished eating their meal.

### **January 2007 – January 2008**

Waiter, Sommelier Sam's, London.

As a waiter in a busy London wine bar it was my duty to provide a table service to the patrons of the bar. I would attend tables and offer suggestions of wines that might suit. I would offer tasting opportunities and tips on tasting, and then deliver the order to the table, making sure I was readily available should further purchases be requested.
