## Work History

### January 2010 - Present

Forklift Driver, Pallet World, London

Working in this large warehouse as a forklift driver saw me moving large pallets both loaded and empty around the warehouse. I had to assess the weight of the pallet and choose a forklift appropriate for the job. I then had to move around the warehouse bearing in mind my speed had to be appropriate for the weight I was moving and how busy the warehouse was.

### January 2008- January 2010

Forklift Driver, Kevin's Office Emporium, London.

As a Forklift Driver in this large high street furniture showroom it was my duty to ensure that the items the customer had ordered were selected and loaded onto the delivery van. As all items were flat packed I had to select each using the fork lift and place them on a pallet, and then load the whole pallet onto the delivery van ready for delivery to the customer.

### January 2007 – January 2008

Forklift Driver, Big Booze, London

Working for this large beverage warehouse it was my job as a forklift driver to move the various pallets of fragile bottles and cans from the loading vans to the various storage areas of the warehouse to ensure that they adhered to the rules of safe storage for the type of beverage that we were storing. Being alcohol it was important to make sure that the stock wasn't left close to heat or flame sources, and wasn't manhandled.
