- Highly organised.
- Confident.
- Friendly.
- Flexible.
- Adaptable.

Professional Qualifications. 2.2 In Project Engineering.

Work History January 2010 - Present

Project Engineer, Happy homes, London

Working in this large homebuilding enterprise it was my duty to ensure that the new buildings we were making were being built correctly and that the project was running smoothly. I would have to liaise with all the different contractors and employees to ensure that they were working properly and that the project was growing and maintaining the forecasted budget. I was responsible for increasing budgets if necessary to complete the job on schedule.

January 2008- January 2010

Project Engineer, Adams Offices, London.

As a Project Engineer in this large office refurbishment business it was my duty to oversee the refurbishment of new builds and ensure that they were running correctly and not going over the budget. I was responsible for training all staff who were working on the project the company ethic to ensure they were working in the manner the company required.

January 2007 – January 2008

Project Engineer, Sharon's Shops, London

Working for this shop fitting and building service it was my job to ensure that the construction was kept on track. I was responsible for the allocation of all resources and materials, and the overall quality control and sign off of the project. I was responsible for hiring all workers for the project and ensuring that they were completing their roles to the required standards that the company expected.

Education GCSE 10xA Grades including English, Maths and Science.
Londonberry Comprehensive School
London
2001
