Dear Sir/ Madam,

I was extremely interested in your role as a bartender, and would like to be considered for this position.

I have previous experience as a bartender as detailed by my CV. I have excellent customer service skills, and thoroughly enjoy doing this as my job. I am friendly, hardworking, and a good team player. I interact well with customers and other staff. I am also willing to help out with other tasks as and when required. I enjoy working in busy and social environments.

In my past experience as a bartender I have always had to multitask and complete other roles. I am very keen to help out whenever given the opportunity especially on busy nights. I enjoy new challenges

I am particularly interested in working for your bar as you have a very high reputation as being high profile and successful. It is extremely popular, and I believe that I would enjoy working for you very much.

I attach my CV for your kind consideration. I have also provided details of my references who you may contact if you so wish.

Please note that I am available immediately to start work.

I look forward to hearing from you.
