Dear Sirs,

Please find enclosed my current CV and references in application of the Beauty Therapist advertised on Learnist.org.

With four years experience working as a Beauty Therapist for a small establishment in a village location I would like to extend my experience in your larger salon, which I am aware has an excellent reputation and a considerable number of return clients.

I hope you will agree that my experience and qualifications match your requirements and look forward to hearing from you to discuss the vacancy and what I can bring to your company.

Yours sincerely,

Your name
