Dear Sirs,

I write in response to the vacancy advertised on Learnist.org for a Hairdresser, and enclose my current CV herewith.

Your salon has an excellent reputation within the local area and I would be delighted to be part of the team receiving prestigious awards and producing fantastic traditional and modern haircuts and up-do's.

I completed my training and NVQ over 2 years ago and have since then been employed full-time by my current employer. I would be happy to start a contract on 3 days per week as the advert states, although I would ask that this be reviewed after an agreed period if my number of clients warrants this.

I am available to discuss this opportunity further or for an interview ideally on Tuesdays or Wednesdays and would be delighted to hear from you.

Yours sincerely,

Your name
