Dear Sirs,

I write to apply for your Customer Assistant vacancy advertised on your Toys'R'Us Careers website.

I am very excited about the opportunity to work in such a highly regarded store such as this, where the choice and variety of products is beyond belief and the customers are just as unique. I have spent a lot of time with young children and am aware of the excitement caused by just naming Toys'R'Us as an outing!

With 3 years previous experience within the retail market, where customer focus and an ability to get on with the rest of the team are paramount, I believe I could bring a mature attitude and pride in achievements to your team.

I would be delighted to be considered for this role and hope that you will contact me in the near future on the above contact details to arrange an interview.

Yours sincerely,

Your name
